

A boogie with Barry at St Winifreds Care Home

This week we've enjoyed some great entertainment from musician Barry who visited us at St Winifreds Care Home to perform for our residents.

We have a number of residents who can get up for boogie, so they had great **fun on the dance floor!**

Barry played some classic songs that everyone loved, including *Cliff Richard and The Young Ones* and some *Elvis* hits. He also played some of his own songs which we all thoroughly enjoyed.

Thanks for a great time Barry!
