

## A cracking Christmas at St Winifreds Care Home

### We've had a wonderful Christmas!

On Tuesday 22 December residents and staff at St Winifreds Care Home enjoyed making and decorating Christmas cookies; getting to eat them with a nice hot cup of tea or coffee was *"the icing on the cake"*!

On Thursday the 24 December we held a **Christmas Karaoke** and our residents sang along with staff to all the Christmas classics; we sang and danced the morning away in true festive style.

On Friday the 25 December residents loved their **Christmas day** with their very own Miss Christmas and her little elf helper. Our ladies and gents enjoyed opening their presents with Christmassy music playing. Followed by a mid-morning a tipple of Baileys and shortbread.

Christmas Karaoke!

Our Miss Christmas really brought us smiles!
