

## A musical time at St Winifreds Care Home

## Java Jive

We've enjoyed another great visit from Java Jive recently at St Winifreds Care Home.

Each community within our Home received a visit and those in their rooms did not miss out as they were visited too, for some musical fun. From an **old-fashioned singalong**, to some Elvis for our Elvis fan, we all had a great time!

## Songbirds singing group

We also hosted our own musical **Songbirds session** when we got out our musical instruments. We sang Vera Lynn tunes and some old-fashioned singalong classics. Our choir members also chose artists to sing to, such as Elvis.

We sang some fantastic **show tunes** too, sometimes with music, sometimes without. *What a great day!*

## A helping hand

One afternoon our lovely resident **Diana helped with the tea trolley**, asking what our residents would like. She did a great job and enjoyed herself. Diana always gets a special kind of joy from helping others and pride from being helpful.

*Thank you Diana!*
