

A trio of birthdays at St Winifreds Care Home

Happy birthday Connie

Our lovely Connie enjoyed her birthday with us at St Winifreds Care Home. We all sang 'Happy birthday' to her and she received some beautiful gifts and of course a **delicious cake** which was made by our Chefs.

Birthday wishes for Peter

Peter had a great birthday too and loved our team members singing to him! He was delighted with his presents which included some **new pens and colouring books** – one of his favourite past times. He was also presented with a wonderful cake from our Chef and **loved all the attention** on his special day.

Julie's birthday celebrations

Julie also had a great birthday in the week, enjoying her happy **birthday banner, singing and birthday cards**. She received some lovely presents including **a rose and a pig ornament**, as she loves pigs. She was presented with and thoroughly enjoyed a lovely birthday cake from our Chef.

Many happy returns Connie, Peter and Julie!
