

A very good hair day at St Winifreds Care Home

After a long lockdown, on Monday 26 April at St Winifreds Care Home we enjoyed a full day of hairdressing!

We were very pleased to welcome our **hairdressers, Carol and Gill**, back who provided a full **pampering and restyling** session for our residents, who were delighted to be going to our salon again.

There were huge smiles all around – *don't our ladies look gorgeous!*
