

## A visit from Max at St Winifreds Care Home

**Our lovely Wendy popped in to St Winifreds Care Home on Sunday 16 April with her wonderful dog called Max.**

What a charming little fellow he is! He enjoyed meeting some of our residents and loved receiving **lots of strokes and attention**, *plus a treat or two!*

Our residents thoroughly enjoyed his company; it's always so special to see the **joy that pets bring** to our Home.
