

## Arts and crafts and Java Jive at St Winifreds Care Home

### Arts and crafts

On Tuesday 18 October we held an arts and craft session with our residents at St Winifreds Care Home to finish off pictures for Breast Cancer Awareness '*Wear It Pink*' Day and our lovely Barbara helped out sewing and making pink ribbon pins for the day.

We also finished off some **themed pictures**, in preparation for Halloween at the end of the month.

## Java Jive

The day was also a lively one as we had a great **visit from Java Jive!**

The **talented musicians** always perform a variety of **different songs** each time they come – everything from Elvis to good old-fashioned knees up tunes! Something for everyone.

*We all had such a good time singing along and dancing. Great fun!*

## Helping hand

Our resident **Jeanette** walked around our ground floor last week, helping to check our emergency lighting with Carl. *Thanks for your help Jeanette!*
