

Barry Goss entertains at St Winifreds Care Home

On Tuesday 14 September we were delighted to be joined by singer Barry Goss here at St Winifreds Residential Care Home.

Barry has been coming to **St Winifreds** for a few years and he's one of our residents' favourite entertainers.

He delighted us all with his **medley of 60s music** and we enjoyed a dance and singalong together, over tea and biscuit refreshments.

A super afternoon of entertainment – thanks for coming Barry!
