

Birthday celebrations and a Costa outing at St Winifreds Care Home

We have enjoyed celebrating two birthdays recently here at St Winifreds Care Home; Mary had a happy birthday on Friday 17 June and Walter celebrated his special day the day after.

We were treated to some wonderful entertainment on 17 June from '**Country Blues**' whose music encouraged lots of singing and dancing from our residents!

On Thursday 23 June we took our lovely residents **Marj and Barbara** to a local **Costa coffee shop** and they enjoyed sitting outside in the glorious sunshine, followed by a walk around the shops.

And it was **bingo time** on Friday 24 June, when a group of our residents joined in with some games; we played both picture bingo and number bingo, which everybody thoroughly enjoyed.
