

Birthday celebrations and music for Barbara at St Winifreds Care Home

On Tuesday 28 September we hosted a party to celebrate Barbara's birthday here at St Winifreds Care Home.

We had **music from Geoff Dean**, who entertained everyone with his tunes and got some of our residents joining in with a **singalong**. There were lots of **smiling faces** to be seen as our ladies and gents enjoyed the party atmosphere and buffet.

Barbara loved her special day and delicious iced **birthday cake**.

Many happy returns Barbara, we're delighted you had such a super day!
