

Birthday celebrations at St Winifreds Care Home

Happy birthday to Pat

Last week our lovely resident Pat enjoyed her birthday with us at St Winifreds Care Home, with presents, cards and a celebration cake to enjoy – and better still, a wonderful visit from her son.

In the afternoon Pat was surprised and thrilled to be invited down to her own **birthday party with cake and entertainment from singer Geoff Dean**. She had a fantastic time and so did all her friends here at **St Winifreds**.

More birthday fun...

This week one of our lovely ladies celebrated her birthday, enjoying a delicious birthday cake made by our Chefs, plus some **lovely cards and gifts**. She also had a **visit from her lovely son and daughter-in-law**.

She said she felt 'very *blessed*' and was so happy enjoying her special day.

Many happy returns!
