

Birthday celebrations for Margaret at St Winifreds Care Home

It was Margaret's birthday on Monday 7 September and we made sure we gave her a special day at St Winifreds Care Home.

First, we organised a **surprise Skype call** with her dad, which she was thrilled with.

We then threw her a **party** and had fun getting messy **making milkshakes** with bananas, strawberries and ice-cream. These went down brilliantly with everyone!

We presented Margaret with a **beautiful birthday cake** featuring flower and butterfly iced decorations which was a lovely focus for the party celebrations.

Many happy returns Margaret – we're delighted you had such a super birthday!
