

Mollie celebrates her birthday at St Winifreds Care Home

Our lovely Mollie enjoyed her 90th birthday with us at St Winifreds Care Home on Thursday 10 September.

We threw her a little **party**, with **singer Jeff** performing music in our car park.

Mollie's son, daughter-in-law and one of her closest friends visited to share in the celebrations and they enjoyed **singing, dancing** and spending time together.

The birthday girl was delighted to receive **two special celebration cakes** and a little **buffet** during the day.

Many happy returns Mollie!
