

Birthday celebrations with Country Blues at St Winifreds Care Home

Birthday wishes

We celebrated Gordon's 92nd birthday on Tuesday 25 July here at St Winifreds Care Home.

We all sang '*Happy birthday*' to him and he enjoyed a lovely afternoon opening his **gifts and cards** which he was delighted with.

Country Music

As part of the celebrations, in the afternoon we had a visit from singers **John and Ellie aka 'Country Blues'** who performed a fantastic set of songs for us.

Everyone had a great time **singing along** to all the rock and roll songs and the country music. *Good times!*
