

Birthday wishes for Colleen at St Winifreds Care Home

Our lovely Colleen was 90 years young this week at St Winifreds Care Home!

For her birthday, she requested a **singalong with our favourites John and Ellie**, who were more than happy to oblige.

In the morning Colleen enjoyed time with her **family** but in the afternoon it was **party time!**

She enjoyed cards from John and Ellie and a sing-song of her favourite songs including Vera Lynn, plus a **delicious chocolate cake**.

What a wonderful birthday – many happy returns Colleen!
