

## Birthday wishes for Diana at St Winifreds Care Home

**Our lovely St Winifreds Care Home resident Diana celebrated her birthday with us on Tuesday 23 January.**

She had a **party** on Saturday afternoon with her three girls and had fun with our **Mexican piñata!**

As part of the day she enjoyed **cards and presents** and a **delicious birthday cake**; she even let her 102 year old friend help her open her gifts.

Diana loves cats and was very pleased with her scarf decorated with cats and a funny wall plaque – *"The cats are in charge. I just live here."*

*Many happy returns Diana!*
