

Birthday wishes for Marlene at St Winifreds Care Home

Our lovely St Winifreds Care Home resident Marlene enjoyed a super 88th birthday recently at our Home.

She loved receiving her **delicious chocolate birthday cake** which she enjoyed with a nice cup of tea, and what a colourful day she had – surrounded by an array of **beautiful cards and presents**, plus wonderful floral gifts.

She was delighted with all her surprises and thoroughly enjoyed being with her loved ones and friends.

Many happy returns Marlene!
