

Birthday wishes to Hillary and David at St Winifreds Care Home

Happy birthday Hillary

Our Hillary turned '88 years young' last week with us here at St Winifreds Care Home.

With cards, gifts and a delicious birthday cake, she had a great day – *and being a teacher, she checked all the handwriting on the cards, and we're pleased to say ours passed the grade!*

She had a small **party with her family** where she enjoyed **chocolate cake and a tipple of Baileys** – *the perfect way to celebrate!*

Happy birthday David

Our lovely David had his birthday last week too.

David is always a great help around our Home, so it was lovely to see him **receiving gifts and celebrating his special day.**

Many happy returns to them both!
