

Bright Sparks Nursery children sing carols for St Winifreds Care Home residents

On Thursday 9 December we had a lovely visit from the children of Bright Sparks Nursery who came to sing their Christmas carols for us at St Winifreds Care Home.

They were all dressed up in **Santa hats** and **festive clothes**, and were amazing as they sang to our residents and staff in our units, from the car park.

They brought some real Christmas cheer to everyone at **St Winifreds!**
