

Canvas painting at St Winifreds Care Home

Our residents have been enjoying painting on canvases here at St Winifreds Care Home.

Our ladies and gents each chose a **stencil design** and then painted it, with some great results!

Everyone enjoyed these so much that we will be doing more in future – and making an '*autumn feature wall*' for our Activities Hub.

Wedding ready

Today, one of our lovely residents enjoyed time out with her family for a wedding. In preparation, she had her hair put up – *doesn't she look stylish!*
