

Carol retires from St Winifreds Care Home

On Wednesday 22 March we said a fond farewell to our lovely Care Assistant Carol who has been a big part of our St Winifreds Care Home family for 10 years.

We threw her a **special party** and presented her with **cards, flowers** and **gifts**, and she took time to have hugs and chats with our residents and staff.

Everybody had some nibbles and we sang '*For she's a jolly good fellow*' to her.

Wishing you a very happy retirement Carol, from all your friends at St Winifreds. We'll miss you!
