

## **Celebrating Sports Relief at St Winifreds Care Home**

**To celebrate Comic Relief Sports Day, we held an afternoon of chair games at St Winifreds Care Home on Wednesday 11th March, which everyone thoroughly enjoyed.**

We **threw dice, bean bags, hoop-la, magnetic darts and a balloon/ball** with each of our residents. The person with the highest score per game won a medal and received a certificate.

Our overall winner (with the highest scores added together) was Bill T, who was over the moon!

Our ladies and gents had a great time together with lots of fun and laughter – such a great atmosphere which was wonderful to see.
