

Celebrating the 1960s at St Winifreds Care Home

Friday 8 April was our Through the Decades 1960s Day at St Winifreds Care Home!

We decorated our dining area with colourful **homemade decorations of love and peace** and welcomed **musician Barry Goss** to bring some 60s spirit into our **Home** for our residents to enjoy.

We all loved having a **dance and sing along** and afterwards took a road trip in our camper van!

We offered a tipple of brandy or a shandy, or tea and biscuits for our residents to enjoy and a lovely time was had by all.

Last week we also had fun with some games of **bingo**, with our winners shouting '*Bingo!*' as loudly as they could! We had a table of great prizes to choose from, and served cups of tea and chocolate all round!

Our 1960s decorations were great fun!
