

Celebrating World Book Day at St Winifreds Care Home

For World Book Day on Thursday 3 March, we enjoyed dressing up and decorating our dining area at St Winifreds Care Home with posters and bunting.

After lunch we hosted a book quiz to test everyone's book knowledge and spent time reminiscing about books we had read in the past – from Enid Blyton to Harry Potter.

We enjoyed socialising and a good laugh over tea and biscuits. A lovely day enjoyed by all.
