

Christmas Day fun and games at St Winifreds Care Home

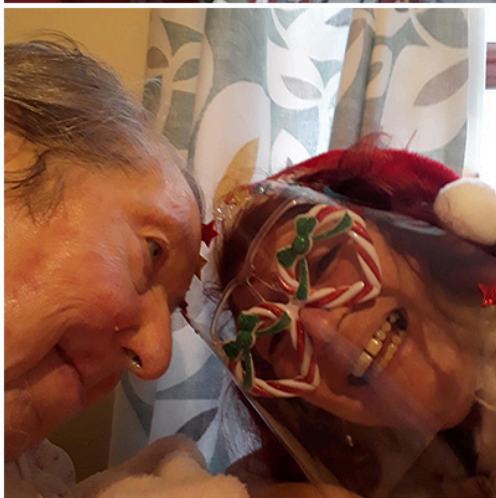

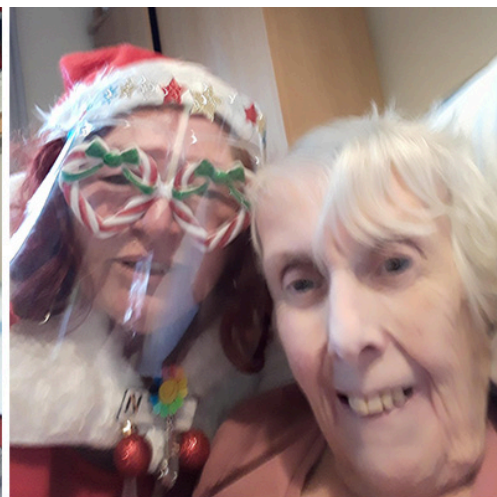

Our residents here at St Winifreds Care Home had some fun and laughs with our Recreation and Well-Being Champion Tina over Christmas.

Despite restrictions, Tina did her best to make it as fun as possible! Dressed up in a festive costume and candy cane glasses, Tina took selfies with her residents and helped them open presents.

Keeping in touch with loved ones is so important, especially over Christmas, and Tina helped our ladies and gents speak to their family on zoom calls.

We look forward to a safe and happy 2022!
