

## Christmas time at St Winifreds Care Home

**Our Christmas festivities started on Thursday 21 December with our Christmas party and a lovely 75th birthday celebration for one of our gentlemen here at St Winifreds Care Home.**

Entertainment was provided by **performer Geoff Dean** who sang a variety of music including 60s, 70s, 80s and Christmas songs. Our residents, team members and visitors all enjoyed singing along – and we even had a surprise **visit from Father Christmas** who handed out treats to all.

We hosted a **gingerbread house decorating** session on Christmas Eve with Heather and a great time was had by all who took part.

On Christmas Day, **Tina came in dressed as Mother Christmas** and handed out gifts to all of our residents, much to their delight!

*We all thoroughly enjoyed the festive season and wish everyone a very happy new year!*
