

## Coronation preparations and music at St Winifreds Care Home

### Coronation crafts

We are getting stuck in to our decorations for the upcoming coronation here at St Winifreds Care Home. This week we have been making mini crowns for our street party tables.

We're looking forward to all celebrating this special day together.

### Java Jive

We loved our morning visit from Java Jive. From a good old '**Cockney knees up**' to some classics old tunes, they never fail to delight our residents and always wake us up and keep us moving.

*Lots of fun singing and clapping along!*
