

Crafts fun and bingo at St Winifreds Care Home

Dream catcher making

This week we made a start on our dream catchers to decorate our rooms here at St Winifreds Care Home.

It is an ongoing project and everyone who wants to join in is very welcome.

With **wool**, **jewellery pieces** and **feathers**, the imagination is endless and everyone loves their finished pieces.

Bingo and Halloween crafts

We had some new faces at our **bingo session** this week, which is always great to see. Everyone really enjoys bingo as it's such good fun and a great way to bring friends together – with tea and biscuits too, *what's not to love?!*

We also finished off some spooky **Halloween arts and crafts**, ready for 31 October.
