

Creative crafts and poppy displays at St Winifreds Care Home

Dreamcatchers

Due to the positive reaction to last time we made dreamcatchers, we decided to make them again here at St Winifreds Care Home.

Lots of our residents were really excited to have them hung in their rooms when finished.

Look how hard we are all working, but there's always room for a bit of fun!

Poppy Day

Our creativity was also in full flow for **Remembrance** this year as we remembered the fallen on Poppy Day. We really enjoyed making our **poppy tribute displays** around our Home, which were so beautiful and poignant.
