

Dice rolling games at St Winifreds Care Home

This week we have introduced some new dice games at St Winifreds Care Home, and they have proved very popular.

Our ladies and gentlemen who took part had fun shaking the dice (as loudly as they could!) and playing **different number games**. With the 'All 6 Game' we took turns rolling one die and checking off the numbers 1-6 as we rolled them. The first person to roll all six numbers won the game.

Another game involved rolling numbers in order – so we were kept on our toes!

We'll definitely be playing these games again as they were so engaging.
