

Easter bonnets and chocolate eggs at St Winifreds Care Home

Making Easter bonnets

It isn't Easter without our annual Easter bonnet competition here St Winifreds Care Home. Everyone got cracking (he he!) with the eggs, bunnies ribbons and all sorts! Our creative flare certainly shone.

We enjoyed it so much we even made one for one for a member of staff's two-year-old daughter and she absolutely loved it!

Chocolate Easter eggs

And you can't have Easter without Easter eggs! On Easter Sunday our Recreation and Well-Being Champion Heather handed our eggs and chocolate to all our residents.

How happy they were to get them!
