

## Easter crafts at St Winifreds Care Home

**On Sunday 3 April we made a start on some crafts for Easter here at St Winifreds Care Home.**

We **decorated pre-cut eggs, rabbits and flowers** with colourful stickers and visited residents in their rooms so they could join in the fun; Tina sat and helped our residents with their designs.

We are all getting into the springtime and Easter spirit and these decorations will look really cheerful in our **Home**.
