

## **Egyptian taster afternoon at St Winifreds Care Home**

**As part of our Egyptian mini cruise week here at St Winifreds Care Home, our residents enjoyed a taster afternoon of hummus with carrot and cucumber sticks.**

For some of our residents it was their first try of the dip; some of us enjoyed it, whilst others were not so keen!

*It's important to try new things and this was a fun themed activity as we travelled to Egypt!*
