

Firework fun and creative crafts at St Winifreds Care Home

On Thursday 5 November our residents at St Winifreds Care Home enjoyed watching a spectacular firework display on the television, which was great fun.

As part of the day's celebrations, we had a special lunch when we served a choice of **delicious Frankfurters** in brioche buns with caramelised onions or **warming jacket potatoes** with slow cooked pulled pork chilli. *These went down a treat!*

Our ladies have also been hard at work making a **special banner** for our Recreation and Well-Being Champion Elsie, as she is retiring soon. They all enjoyed hot chocolate with marshmallows and some chocolate and vanilla cupcakes too. *Yummy!*
