

## Friday music and sweet tasting fun at St Winifreds Care Home

## Trevor the Travelling Troubadour

On Friday 1 September we had our monthly visit from performer Trevor here at St Winifreds Care Home.

He sang a **variety of songs** which were enjoyed by everyone – he performed for 45 minutes in The Hub and then went to visit and sing for our residents in their rooms, who also had a great time and thanked Trevor for such wonderful entertainment.

*Thank you Trevor! Our residents are looking forward to your next visit.*

## Taster Friday

We now have **weekly 'Taster days'** and on Friday we had some great **old-fashioned sweets** to enjoy.

To tempt our residents we had **humbugs, jelly babies, wine gums, fruit pastilles, jelly fruits, jelly tots and jellybeans.**

We also had **Liquorice Allsorts**; several of our staff team had never heard of liquorice and tried it. Most were not sure about it, but were happy they'd given it a try!

Next week we are looking forwards to trying a selection of different fruits.
