

Fun with puppet friends at St Winifreds Care Home

Geoff joined us at St Winifreds Care Home on Wednesday 11 September for a singalong, and of course he brought his puppets pals with him!

Geoff and his **puppets are old favourites with our residents** who have been at our Home for a while, and are new friends for those who haven't met them before.

Geoff makes sure he gets around to all our ladies and gents, so they can touch his puppets and get involved, which is always great fun and brings the **smiles**.

With ice lollies to keep us refreshed too, it was a thoroughly enjoyable afternoon.
