

## Fundraising for Macmillan at St Winifreds Care Home

On Friday 25 September we held a Macmillan Coffee Day at St Winifreds Care Home, in support of the important cancer charity.

We held a **fantastic raffle**, with a table packed full of prizes including bottles of wine, toiletries, picture frames and sweets.

We also held a '**Guess the weight of the cake**' competition, using a beautiful cake made by our wonderful Cook Heather.

For the coffee morning itself, we were delighted with our **table of tempting cakes and cupcakes** which were delicious!

As part of the day, we linked up via Zoom with another of **Nellsar's Homes – The Old Downs** – which worked really well at bringing us all together, with our ladies and gents waving and saying hello over the video.

With donations from staff and our residents **we raised a wonderful £246.27 for Macmillan.**

***Well done and thank you to everyone who helped make the day such a success.***
