

## Games and music with Barry at St Winifreds Care Home

## Nails and naughts and crosses

Last week, some of our ladies at St Winifreds Care Home thoroughly enjoyed having their nails done. They love a spot of relaxation and pampering and we are only too happy to oblige!

Afterwards we had fun playing **naughts and crosses**, which is great fun with our **big table top board**.

## **Barry Goss**

On Friday 7 July we enjoyed a **lively morning together, singing along with performer Barry Goss**, who sang a selection of mainly 60s hits including The Beatles, Elvis and Eddie Cochran.

*Everyone loved clapping along and dancing. Great fun!*
