

## Gentlemen's Club at St Winifreds Care Home

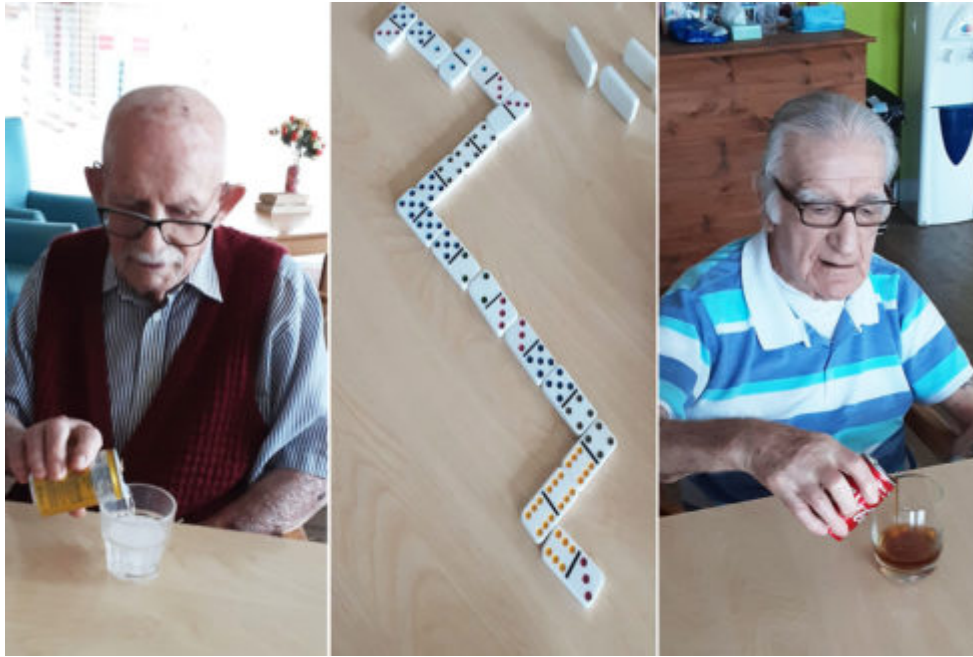

**We had fun hosting our Gentlemen's Club in the afternoon on Friday 4 September here at St Winifreds Care Home.**

Our gents had fun playing **dominoes** together and chose a **selection of drinks** to enjoy – brandy and coke, gin and tonic and Newcastle Brown were on the menu!

Our chaps had lots of laughs and jokes about how great it was having a Gentlemen's Club.

*Cheers gents!*
