

Geoff Dean entertains St Winifreds Care Home residents

We were delighted to welcome entertainer Geoff Dean to St Winifreds Care Home recently.

Geoff brought some **60s fun** to our Home, with **some fantastic popular tunes** which got everyone singing along.

He then brought us a bit more up to date with some **80s and 90s music**, and even some hits from just a few years ago which we all thoroughly enjoyed.

Thanks for a great time Geoff – come and see us again soon!
