

Gingerbread and painting at St Winifreds Care Home

We love being creative here at St Winifreds Care Home and our residents enjoyed some gingerbread decorating and painting last week, which was a lot of fun!

Our ladies and gents loved getting messy with different coloured icing and a variety of sprinkle toppings – and of course eating their **gingerbread** creations! Yum!

On Sunday we had a very arty afternoon when our residents made some '**splash**' pictures by flicking paint onto small canvases. We had paint all over us and had a great laugh with the activity!

Our finished pictures are really effective and we look forward to displaying them in our **Home**.
