

Guy Fawkes Day at St Winifreds Care Home

On Tuesday 5 November we hosted a wonderful Afternoon Tea at St Winifreds Care Home, to celebrate Guy Fawkes Day.

Our residents had helped our staff team build a **Guy**, who sat in his barrow throughout the day!

Our ladies and gents, as well as a few visitors, enjoyed a great selection of cakes, with tea or coffee, all served in china cups. We all absolutely loved it!
