

Hairdressing with Carol at St Winifreds Care Home

We are delighted to say we now have a new Hairdresser at St Winifreds Care Home and just in time for Christmas too!

Carol is a local lady who has had many years hairdressing experience, so it's wonderful to have her at our **Home**.

Our ladies and gents have been enjoying our in-house salon and those in bed do not miss out, as our Recreation and Well-Being Champion Tina helps Carol with in-bed **washes, cuts** and **blow dries**.

Those who fancy some nail colour can have their **nails painted by Tina** too.

Don't our ladies look lovely!
