

Halloween fun at St Winifreds Care Home

On Sunday 30 October we had great fun at St Winifreds Care Home great ready for Halloween with cookie decorating and pumpkin carving.

Everyone enjoyed decorating **cookies in the shape of tombstones, ghosts and pumpkins.**

As part of the spooky fun, we did trick or treating with Tina from our Recreation and Well-Being Team dressed as a cat. **No tricks in store, just treats** of lovely chocolates for all our residents.

Everybody loved **Tina being a Halloween cat** and loved their chocolate goodies too!

We hope everyone had a Happy Halloween!
