

Happy birthday to Ann at St Winifreds Care Home

What a great birthday Ann had with us here at St Winifreds Care Home.

She was quite overwhelmed with emotion over her **beautiful gifts and cake**, which she enjoyed after some **quizzes** and **word games**.

She especially loved a game where you roll the dice, see what number you get, choose a colour and answer a question such as, '*What is your favourite thing?*' and '*Did you like school?*'. A great game for reminiscence and getting to know each other even better!
