

## Happy birthday to Doreen at St Winifreds Care Home

**We celebrated Doreen's 91st birthday on Saturday 27 February at St Winifreds Care Home.**

She enjoyed our **Coffee Morning**, when we had decked our **drinks trolley with decorations**, balloons and a birthday banner for her.

Later, she loved opening all her **presents and cards**, including a beautiful big bunch of **pink and purple flowers** from her husband. She also received some delicious chocolates and a wonderful pink iced **birthday cake** to enjoy.

Doreen had a lovely **Skype call with her husband** too, which made the day very special.

*Many happy returns Doreen!*
