

Happy birthday to Julie at St Winifreds Care Home

Our wonderful Recreation and Well-Being Champion Julie celebrated her birthday on Thursday 28 January at St Winifreds Care Home.

She was so touched by everyone's kindness and all the **cards, flowers** and **birthday wishes** she received;

"I would just like to say thank you to St Winifreds for making my birthday so special whilst I was working. Thank you to all the staff and Hazel for all my gifts. I truly had an amazing day and thank you to our residents who made my day extra special too!"

Many happy returns Julie, we're so pleased you had such a special day!
