

Happy birthday to Ted at St Winifreds Care Home

On Wednesday 4 September we wished our resident Ted a very happy 97th birthday at St Winifreds Care Home.

He enjoyed a **visit from his daughter** who stayed to have a **celebratory lunch** with him, and he was delighted to receive his **birthday cake** and blow out his '97' candles.

We asked him what he would like to do in the afternoon and he chose to have a **game with all our residents** – so we wrote '**HAPPY BIRTHDAY TED**' and our ladies and gents had to find as many words as they could using just those letters, which everyone enjoyed getting involved with.

Ted commented that he'd had a lovely day and also said a big '*thank you to all!*'

Many happy returns of the day Ted!
