

Holly Jolly Christmas Show at St Winifreds Care Home

We've had a fantastic recent performance from the Entertainment Providers here at St Winifreds Care Home.

Sam was our entertainer and she put on the 'Holly Jolly Christmas Show' for us, featuring **Christmas carols, chart hits and hits from the musicals**. Not forgetting some **fabulous costume changes**!

Our residents all recognised the songs she performed and had a **good old singalong** – some wonderful **audience participation** and several of our residents even had a dance with Sam.

Thank you for a brilliant time Sam, we look forward to seeing you again soon!
