

## Java Jive music and Dementia dolls at St Winifreds Care Home

**What a great afternoon we had on Monday 29 August, with a new entertainment duo 'Java Jive' here at St Winifreds Care Home.**

It was an absolute treat listening to **Java Jive** perform; we all enjoyed the different sorts of music and great **guitar and violin** playing. *Such a fantastic atmosphere!*

## Games and Dementia dolls

On Monday 29 August we played some fun games of **oversized cards and dominoes**, which our residents really enjoyed.

We also introduced our new **Dementia dolls** who proved very popular.

Our residents named the girl '**Vera**' after Vera Lynn and the boy '**William**' after Prince William – *the perfect choices!*

What a fun day and it was lovely to see our ladies enjoying comforting cuddles with our two new arrivals.
